

Titanium Print Solutions (www.titaniumprint.com) announces launch of redesigned company website.

By Virgil Hilts

Dated: Apr 08, 2011

Titanium Print Solutions announces the launch of the redesigned corporate website (www.titaniumprint.com). The new design resulted in an improved website which offers a fresh new look that provides its visitors with improvements in navigation.

Titanium Print Solutions Inc. is proud to announce the launch of the completely redesigned corporate website (www.titaniumprint.com). The new design resulted in an improved website which offers a fresh new look that technically provides its online visitors with significant improvements in navigation. The new website features the ability to create online printer repair service tickets. Another new feature of the website is improved tools to help with the troubleshooting customers printer repair needs.

Titanium Print Solutions plans to continue implementing new features in the coming months with the acquisition of Virgil Hilts as consultant in website design and implementation.

Titanium Print Solutions is a leading laser printer repair company located in Whittier, California providing services in the Los Angeles, Orange and San Bernardino Counties.

Titanium Print Solutions provides services to some of the most respected Corporations in America.
